

Artificial Intelligence and the Legal World Perspectives of France and the Czech Republic

Thursday 23 May 2024

PILSEN

Association Masaryk, the Czech Bar Association and the Faculty of Law of the University of West Bohemia

have the pleasure to invite you to attend the traditional annual conference of the Association Masaryk, this year, dedicated to the topic of **Artificial Intelligence**.

Last time, the event took place exceptionally in Paris. This year will also be unique, as we will hold the conference for the first time in **Pilsen, Czech Republic**. We would like to hereby thank the University of West Bohemia, Faculty of Law for providing the premises for our event and for their support.

Due to the recent sad news, we will pay a tribute to our co-founder and Honorary President of the Association, **Robert Badinter**.

The conference is:

- **Open to Czech, Slovak and French lawyers, trainee lawyers, students and other interested participants**
- **Free of charge**
- **With language of instruction:** French, English (interpretation is not arranged)
