CONFIRMATION

invited lecture & workshop

Doc. Ing. Petr HOŘEJŠÍ, Ph.D.
University of West Bohemia
Faculty of Mechanical Engineering
Univerzitní 8
306 14 Plzeň
Czech Republic

It is to confirm that Doc. Ing. Petr HOŘEJŠÍ, Ph.D., affiliated with the University of West Bohemia, Faculty of Mechanical Engineering, the Czech Republic, delivered an invited lecture titled "The Use and Application of VR in Healthcare and Education" during the Research & Innovation Forum (#RiiForum) 2023, held at the Nowodworski College, Kraków, Poland.

Following the lecture, Doc. Ing. Petr HOŘEJŠÍ, Ph.D., moderated a workshop on the same topic, engaging participants in an interactive discussion and practical exploration of VR applications in healthcare and education.

Both the lecture and the workshop were held on April 14, 2023, as a part of the Rii Forum 2023, titled "Navigating Shocks and Crises in Uncertain Times - Technology, Business, Society."

Yours sincerely,

Anna Visvizi, Ph.D.
Chair, Research & Innovation Forum 2023
Associate Professor
SGH Warsaw School of Economics
